Dear Mr. Toner:

As we recently discussed, PASS is pleased to provide you with someone to work with you and your office on training issues for the PASS Tech Ops bargaining unit. The person PASS has selected for the initial six-month detail is Mr. Bruce Check, Training Coordinator, Central Service Center.

Please have the appropriate person(s) make the necessary contact with Mr. Cheek's management officials to coordinate his release. In addition, if someone from your office could contact Mr. Cheek with any additional information about the detail that would be helpful for his preparation, it would be appreciated.

Sincerely,

Thomas Brantley
